Survey contexts and use

Completion of this section is optional and may be used by the RTO to provide information and an explanation of the data provided.

Information	Explanatory notes
Specific contexts to consider when interpreting survey results	MDLC runs predominantly education programs for disengaged youth, migrants, low literacy students and people with disabilities. Surveying employers is not relevant
Main ways data has been used for continuous improvement	MDLC is currently implementing measures to improve priority areas relating to training resources, active learning and training relevance.
